Golden Enterprise - Book Launch

We are thrilled to invite you to the official launch of Golden Enterprise, an exciting new book that sheds light on the incredible history of Chinese New Zealanders. Written by Phoebe Li and commissioned by the Chinese Poll Tax Heritage Trust (CPTHT), Golden Enterprise uncovers the stories of early Cantonese merchants who played a pivotal role in shaping the Chinese community in New Zealand from the 1860s to the 1970s.

These merchants were integral to the establishment of Chinese communities in the South Pacific. Their business acumen and strong networks not only enabled early Chinese immigration but also left a lasting impact on the social and economic fabric of New Zealand. This book offers a unique insight into their contributions, set within the broader context of New Zealand's evolving international relations.

If you're interested in NZ history, Chinese culture, or genealogy, this book will be an essential addition to your collection.

Don't miss this special event!

Author Phoebe Li will be present to share her experience and discuss her work in creating this vital piece of history. Copies of Golden Enterprise will be available for purchase for \$55 during the launch.
